**Browsing the catalog:**

You do not need to log in to browse the catalog, but you won’t see the reduced Master Gardener price until you do. The current class listings start on the Home page and you can move to other pages at the bottom of the page by clicking on the up or down arrow. You can also change the number of listings per page by clicking on the Page size arrows.

Classes are sorted by calendar date. If you want to see classes for a particular county/office, click on the grey bar to the left of the course listings (below the Show All bar). You can then select a specific location.

To see the course details, click the course title.

If you want a calendar view of classes, click on Calendar at the very top right of the page. Click on a listing and it will open to the information page for that class.
The thumbnail listing gives you the basic details of date, time, credit hours, price, location and available number of seats. (Master Gardeners will see the reduced price automatically.) If a course is filled, you cannot register for it. If you want to be on a wait list, contact the coordinator for that location.

Clicking on the course title will open the full course information page, including the full description, instructor info, and the contact person for the class. Click on **Add to Cart** if you want to take the class. You can then explore and add more classes.

When you are ready to pay, go to your cart and click on **Proceed to Payment** in the lower right corner. If you want to remove a class, you can do so by clicking the “x” to the right of the class listing.

Select your payment method. If paying by credit card, you will check out by providing credit card information.

If paying by check you will print out a receipt, and mail the receipt and payment to UConn address listed on the receipt.

Once you are registered for a class, you will receive a confirmation email. You will also receive a reminder email one week before class and the day prior to the class.
